- Public: A Borough resident questioned where her application for
volunteering for appointment to the Golf Commission went. She
had filled out the online form and never got a reply other than
her submittal. She also wanted the Golf Commission to know
that the course is not in good shape, cart-path only all winter,
bunkers were not raked in the winter, greens had debris on
them and winter rates should be offered. Andy explained that
the bunkers when frozen cannot be raked and greens were
cleaned off regularly all winter. Once the grass starts to grow the
course will be in great shape.
