COUNCIL MEMBERS REPORTS:

Councilwoman Bellinger Gives Police Department numbers for March. There were 4,990 calls for service, 309 MV summonses and 5,458 911 calls answered by the command center. The Health Department has a new health officer Joanna Adamiak who started this week. Paramus has the highest number of vaccinated individuals in Bergen County. We did four vaccination clinics in April. A Vulnerable Population Grant is up for renewal. The report that we received is that they did a great job on targeting and getting access to those in that population and helping them. The rabies vaccine clinic was held on May 6th.

Councilman DiPiazza inquires about Ordinance 2021-23 and Resolution 21-05-306. Mr. DiPiazza asks Borough Attorney if he should recuse as he lives in the homes being discussed. Mr. Lagana responds that he should. Resolution 21-05-306 is pulled from the agenda as it is a duplicate of the ordinance. Mr. DiPiazza asks if Ordinance 2021-17 was voted on introduction. Mr. DiPiazza asks Mr. Lagana about resolution 21-04-303 and which ordinance this is referring to. Mr. Lagana explains. Council discusses the number of medicinal marijuana dispensaries to enter into the zoning ordinance. Council agrees on one additional on top of the one that is already here. This will go to the Planning Board for review with the rest of the ordinance. Council discusses the application fee. Councilwoman Tedesco-Santos states that she has no problem making the number high. Council suggests \$35,000 for the annual license fee.

Mr. DiPiazza inquires about Resolution 21-04-278 and asks that it be moved to the non-consent agenda.

Councilwoman Weber Spring planting is underway. The tree foreman and three tree climbers have received certifications. Paramus mulch is available for free for Paramus residents at Petruska park.

Councilman Verile The Fire Department is looking to hold an event on Memorial Day on the corner of Forest Avenue and Midland Avenue. Library is getting donations to attempt to match the grant. Golf is moving forward with the new restaurant. Mayor LaBarbiera announces that the Fire Department is having a service on Memorial Day which will be an alternative to the usual parade. They will have a wreath laying on the Friday before Memorial Day. There will be various organizations participating.

Councilwoman Tedesco-Santos The 4th of July Committee has been working hard to get the parade and fireworks back up this year. They've gotten some big donations from businesses in the Borough. The parade will be on July 4th and the fireworks will be that night. There will be a food truck festival in the parking lot of the Garden State Plaza. Recreation opened registration for summer playgrounds this year. CDC guidelines are still in effect and there will be no trips except to the Paramus Pool. There will be a camp at Parkway for the younger kids and Petruska Park for the older kids. Cheer and Football registration is open for Fall and coach interviews are being set up. The Pool is opening on Memorial Day. Registration is open and you can register at Borough Hall as well as at the Pool when it opens.

Councilman Vartolone inquires about the medicinal marijuana ordinance and why we are only proposing to allow one facility in addition to the one we already have. He is worried about an applicant challenging that. Mr. Lagana explains.

Mr. Lagana advises that Resolution 21-05-306 was actually not duplicitous and should be put back on the agenda. Councilman DiPiazza would like the resolution on the non-consent agenda.

MAYOR'S REPORT: Mayor LaBarbiera says the Midland and Forest Ave project that was completed last weekend come out great and will hopefully help the traffic flow. He continues to discuss Recreation football registration and is excited that it is back this year and hopes it will be better then ever.

PUBLIC COMMENTS: Citizens are welcome to address the Mayor and Council on any governmental item of concern to them, whether or not it is scheduled on the agenda. Comments will be made at the public portion of tonight's Public Meeting in the Council Chambers. 8:29 PM

Roy Hegg – inquires about Resolution 21-04-284. Mayor LaBarbiera explains. Mr. Hegg references the meeting of February 25 2021 and asks why council members DiPiazza, Weber, and Vartolone were not present. Mr. Hegg doesn't appreciate an entire party not showing up to a meeting and believes it is game playing. Mr. Hegg inquires about a barrier issue on From Road and Mayor LaBarbiera advises that this has now gone to the Borough Engineer.

Patty Lane – expresses concerns regarding medical marijuana establishments. Mayor LaBarbiera responds. Councilwoman Tedesco-Santos expresses that there has been a lot of reservation on

this topic and the Governing Body has gone about it in a “wait and see” manner. We must allow something but we’re not going forward full force. There is very little guidance from the state at the moment. We have to do what we think is best at the moment. Councilwoman Bellinger adds that the reason we needed to do this is because we currently had nothing in place and that is how the first establishment got in town in the first place. This is our way of controlling where they go. This ordinance is important so that situation doesn’t present itself again.

Jonathan Randal – inquires about a time frame when the Council will be discussing recreational marijuana. Mayor LaBarbiera advises that the Council will likely discuss this at the next meeting. Preliminary conversations have been had. Mr. Randall expresses that he wishes the Council had considered his neighborhood.

Thomas Randal – inquires about resolution 21-04-245 and a corresponding report. Mr. Lagana responds.
