Second: Commissioner Lillo
All in favor: Unanimous

Meeting Open to the Public at 7:04 pm

Jennifer Wirt

- Would like to request that the piano at the concession stand be removed and for next year to not have one placed at the pool.
- Kids just bang on it and it disturbs the peace and atmosphere at the pool.

Meeting Closed to the Public at 7:08 pm

Correspondence

Deborah Fellner email regarding where the employees park.
- She thinks pool employees should park in lanes further away from the front so that pool members can park closer.

Megan Schaffer, Recreation Director’s thank you email.
- She wanted to thank the commission for the recreation day at the pool. The kids loved it and the supervisors said it was fantastic. Looks forward to working with everyone in the future.

Kathleen Wirt called regarding the piano in the concession stand.
- She feels like no one plays it and from day one all the children do is bang on it. She thinks it’s a disturbance to everyone in the pavilion while they eat.
